

# Central Indiana Technical and Environmental Societies Scholarship

## Scholarship Application

The IUPUI Center for Earth and Environmental Science (CEES) has been awarded funding through the Central Indiana Technical and Environmental Societies (CITES) to provide one \$1000 or two \$500 scholarships to IUPUI students pursuing degrees in earth sciences, environmental sciences, or environmental engineering.

The applicants must be full- or part-time IUPUI undergraduate students who are United States Citizens and Indiana residents. The students must be working toward degrees with a semester class load of a minimum of six hours. The academic scholarship will be provided to a recipient's fall 2018 tuition.

The scholarship recipients will be selected during the spring 2018 semester to be recognized at the School of Science Spring Honors Convocation and the CITES Spring Symposium and Luncheon.

The application form should be printed or typed and submitted with a one page letter written by the applicant. The letter should discuss how the applicant's future career goals are linked to applied earth and environmental science.

A minimum of one letter of reference is also required. The reference letter(s) may be written by a faculty member, mentor, counselor, etc., but may not be authored by a family member. Letters of reference may be mailed by their authors, included in the application packets in a sealed & signed envelope, or emailed directly to Dr. Victoria Schmalhofer at [vrschmal@iupui.edu](mailto:vrschmal@iupui.edu).

**Application and Reference Letter Deadline Date: March 23, 2018**

Please send or email application and letters of reference to:
